### This Is Your Chance

#### Hobron Drug Co's Offer for a Name and Drawing

Briefly told, our proposition is this. We want to get, if possible, a catchy and more appropriate name for our Anti-Grippe Tablets. They are going to be put on the markets of the mainland. We want to start right by having an attractive, easy-to-remember name, and we believe there are people in Hawaii who could submit something unique in this line. Will you try? If the name you submit suits us we will send you a check for \$15.

Then we want a good drawing, something that suggests some one afflicted with a cold, grippe, dengue, etc., and the little white tablet coming to their relief. If you can draw, send us your idea, and if we can use it as a trade-mark, you will receive a check for \$10.

Put the names you submit, or the drawings, in an envelope, mark "Anti-Grippe Tablets Name Competition," and either leave at store or mail to us. Don't forget to sign your name and address. You are not limited to number of names or drawings. They will all receive our careful consideration and the ones selected which we believe will bring us best advertising results. Competition closes October 1st.

ANTI-GRIPPE TABLETS HAVE A PHENOMENAL SALE IN HAWAII, AND ALSO A GROWING DEMAND FOR THEM ON THE MAINLAND. THEY POSSESS GREAT MERIT AS A CURE FOR COLDS AND GRIP. THEY ARE WORTH A WHOLE MEDICINE CASE FOR THE FAMILY—FOR ANYONE. THEY WILL BREAK UP A SEVERE COLD IN A FEW HOURS. SAFE AND EASY TO TAKE. NO ONE CAN AFFORD TO BE WITHOUT ANTI-GRIPPE TABLETS. DON'T ACCEPT SOMETHING "JUST AS GOOD" BUT INSIST ON HAVING THE GENUINE.

Price 25 cents. Mailed to any part of the world on receipt of price.

## NO HOPES FOR HARMONY

(Continued from page one)

he returns to Honolulu it will be to resume his official duties with new confidence and vigor.

"I advised President Roosevelt," said Governor Carter, after his conference, "to accept my resignation, but he declined to take my advice. On the contrary, he advised me to withdraw my resignation, and I decided to take his advice. That is the whole story in a nutshell."

Since he was appointed to succeed Governor Dole, who was named as one of the United States District Judges of Hawaii, Governor Carter has encountered difficulty, particularly with officials in the islands. His administration has not been harmonious, evidently through no fault of his. The trouble culminated two or three months ago in the sending by Governor Carter of his resignation to the President. The President declined to accept it, because he had great confidence in the Governor's ability to administer Hawaiian affairs as he would have them administered. Finally the Governor decided to come to the United States to talk over the situation with the President. He arrived here at 12:20 o'clock today and was driven directly to Sagamore Hill.

"I felt," said he, "that the best way to restore harmony in Hawaii was for me to resign the Governorship. The President does not think so. We went over the situation fully, and I have accepted his advice and will continue as Governor."

"Who is the principal disturbing element in Hawaii?" he was asked. "George R. Carter," he replied promptly, with a laugh.

"Is the trouble local or is it due to the National Government in this country?"

"Oh, it is purely local," the Governor replied. "You know we have home rule in the islands. Our general political divisions are about the same as they are in this country. We have two political parties, the Republican and Democratic. The former is the party which stands for the development of the islands, which established the republic and which favored annexation."

"The race question has been eliminated practically from our politics. This is a distinct advance. Then, too, we have advanced in other respects. A law passed at the recent session of the Legislature provides that the United States flag shall fly from every schoolhouse while school is in session. That law could not have been enacted three or four years ago."

"Then you have hopes for ultimate harmony?"

"I am sorry to say I have not," replied the Governor. "I am going back to Honolulu to stand by my position, but it is an uphill fight."

Governor Carter is a man after Mr. Roosevelt's ideals, outspoken, fearless and determined. The President said after he left:

"Governor Carter is a brick."

The Governor will go back to Honolulu feeling that he has the sympathy and full support of the President. Carter will not return immediately to Hawaii, but will take an extended vacation in the United States before the opening of the Hawaiian Legislature.

Governor Carter scarcely hopes for an early restoration of harmony in Hawaii. He says, however, that he will return to the islands determined to continue his fight for what he believes to be the best for them and for the people generally. President Roosevelt assured him of his own cordial sympathy and of the support of his administration. He indicated after Governor Carter's talk with him that he not only could not permit Governor Carter to resign, in the circumstances, but that he proposed to stand squarely back of him in the work he has done.
